**MEMORANDUM**

Williamson County Sheriff's Department
Headquarters Division

TO: Commissioners Court
FROM: Crime Scene Specialist Jennifer Smith
DATE: October 1, 2001
SUBJECT: Request for acceptance of donation

Dear Sirs,

Laboratory Tops, Incorporated has graciously donated an Epoxy Resin work surface with drop-in sinks for Williamson County Crime Lab to utilize. This item would be a tremendous asset to our lab, as the sink which we currently have is non-functional for our purposes. This would also afford us some greatly needed counter space around the sink. This sink can be installed in the same space for the original sink, with virtually no cost to the county. We respectfully request for acceptance of this donation. The approximate dollar value of this item is \$1,500.00.

approved 10-23-01
John C. Doerfler

Sincerely,

Jennifer Smith
