NOTICE OF PROPOSED INSTALLATION

UTILITY LINE ON WILLIAMSON COUNTY RIGHT-OF-WAY

TO: Williamson County Unified Road System  
3151 S. E. Inner Loop, Suite B  
Georgetown, Texas 78626

DATE: 2/6/02

Formal notice is hereby given that Heyl Construction

Company proposes to place a 10" and 18" waste water

Line within the right-of-way of Brushy Creek Road  
as follows: (give location, length, general design, etc.)

1) A 10" ww line near the intersection of Brushy Creek Road and  
Parmer Lane about 30' of length in the R.O.W.

2) A 18" ww line approximately 4400' from the intersection of  
Brushy Creek Road and Parmer Lane about 30' of length in the R.O.W.  
The line will be constructed and maintained on the road right-of-way as directed by the Williamson County  
Unified Road System in accordance with governing laws.

Our firm further understands that the County considers proper traffic control measures as those complying  
with applicable portions of the Texas Manual of Traffic Control Devices required for adoption by the  
"Transportation Code" (V.C.T.A. CH.251)

The location and description of the proposed line and appurtenances is more fully shown by 1 copies of  
drawings attached to this notice.

Construction of this line is proposed to begin on or after the 20<sup>th</sup> day of February 2002

APPROVAL

This application is hereby approved subject to the  
following understandings and restrictions.

It is expressly understood that the said County  
Commissioners' Court does not imply hereby to  
grant any right, claim, title or easement in or upon  
this County Road; and it is further understood that  
in the future, should Williamson County, for any  
reason, need to work, improve, relocate, widen,  
increase, add to, decrease, or in any manner change  
the structure of this road or right-of-way, this line,  
if affected, will be moved at the direction of the  
Williamson County Engineer or County Commissioner.  
This installation work shall not damage any part of the  
roadway and adequate provisions shall be made to  
cause a minimum of inconvenience to traffic and adjacent  
property owners.

**Re: Silverado Offsite Water & Wastewater Line – Utilities Installation Permit  
Turner Collie & Braden Inc. Job No. 22-20004-001**

Dear Ms. Benedict:

On behalf of CA 1100, LTD., and Carrollville, LTD., Turner Collie & Braden Inc. (TC&B) would like to submit the Williamson County utility permit package for the "Silverado Offsite Water & Wastewater" plans that require two saw cuts in the Brushy Creek Road Right-Of-Way. The first cut is for a 10" wastewater line near the intersection of Brushy Creek Road and Parmer Lane. The second cut is for an 18" wastewater line approximately 4400' from the intersection of Brushy Creek Road and Parmer Lane.

I have attached a completed "Notice of Proposed Installation Utility Line on Williamson County Right-of-Way", two plans sets, and the "Contractor's Liability Agreement". Traffic handling plans are included in the plan sets. The "Contractor's Liability Agreement", performance bond, and \$120.00 contractor's fee will be sent by the contractor.

We are looking forward to a project that meets the requirements of Williamson County. Please call if you have any questions or you need additional information.

Very truly yours,

David Kneuper  
Graduate Engineer

## NOTICE OF PROPOSED INSTALLATION

## UTILITY LINE ON WILLIAMSON COUNTY RIGHT-OF-WAY

TO: Williamson County Unified Road System  
3151 S. E. Inner Loop, Suite B  
Georgetown, Texas 78626

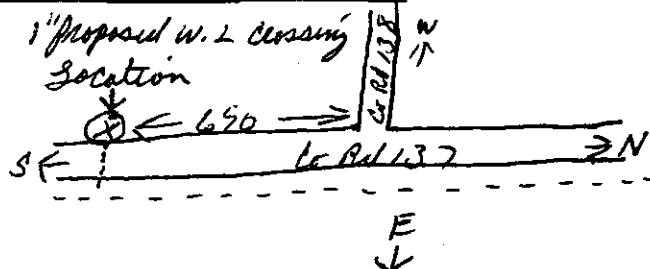

DATE: 02/08/02

Formal notice is hereby given that Manville W.S.C.Company proposes to place a 1" Water & Road Crossing

Line within the right-of-way of Co. Rd 137  
as follows: (give location, length, general design, etc.)

2070 Co. Rd 137

690 ft South of Co Rd 138 on west side

The line will be constructed and maintained on the road right-of-way as directed by the Williamson County Unified Road System in accordance with governing laws.

Our firm further understands that the County considers proper traffic control measures as those complying with applicable portions of the Texas Manual of Traffic Control Devices required for adoption by the "Transportation Code" (V.C.T.A. CH.251)

The location and description of the proposed line and appurtenances is more fully shown by \_\_\_ copies of drawings attached to this notice.

Construction of this line is proposed to begin on or after the 25 day of Feb 2002

## APPROVAL

This application is hereby approved subject to the following understandings and restrictions.

It is expressly understood that the said County Commissioners' Court does not imply hereby to grant any right, claim, title or easement in or upon this County Road; and it is further understood that in the future, should Williamson County, for any reason, need to work, improve, relocate, widen, increase, add to, decrease, or in any manner change the structure of this road or right-of-way, this line, if affected, will be moved at the direction of the Williamson County Engineer or County Commissioner. This installation work shall not damage any part of the roadway and adequate provisions shall be made to cause a minimum of inconvenience to traffic and adjacent property owners.
