Dear Commissioner Hays:

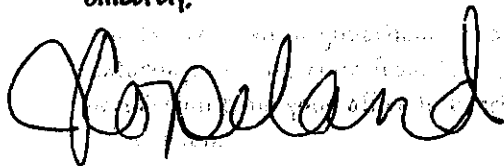

The Georgetown neighborhood, The Woods, off Jim Hogg Road is planning a street party on Saturday, May 18, 2002 from 5:30 p.m. -Midnight. In accordance with this plan, we would like permission from your office to barricade off a portion of the street, Diamond Trail, in our subdivision.

Please note that this request will only block off access to approximately nine homes in the subdivision, and we have spoken to each of the homeowners granting permission for this temporary barricade.

This is the second year for this street party, and we encountered no opposition from the neighborhood residents last year.

We appreciate your help in this matter. Please feel free to call me at First Texas Bank during the day or at home in the evenings at 863-2567 and 864-9561, respectively, should you have any questions or need additional information.

Sincerely,

Jenny Copeland
