*next agenda,
thanks,
JJ*

As you may already know, the City of Burnet is in the process of applying to the Veterans' Land Board for a grant to build a Texas State Veterans' Home in the City of Burnet. Only two of these homes are scheduled for award statewide in this granting cycle.

A facility of this type will benefit not only the City of Burnet but also surrounding cities and communities within the entire Central Texas area. We are willing and prepared to invest the time and resources required for this undertaking but we need your help. We are asking for your moral support of our efforts through the adoption of a resolution that will become a part of our proposal to the Veterans' Land Board. This would demonstrate the degree of our enthusiasm for the project as well as the level of support from affected communities. The resolution simply states that you support us in our efforts. We have enclosed a copy of a sample resolution. It is our hope that you will agree to adopt a resolution for inclusion in our proposal.

If you have any questions, please contact me or Burnet City Manager, Johnny Sartain. In the event you choose to support our efforts, please send the completed resolution to us at the address on the letterhead above.

Sincerely:

Dennis Kincheloe
Mayor
