Dear Judge Doerfler:

Unfortunately one of our recently elected board of director members, Don Nix, has unexpectedly moved out of town and will be unable to serve.

The procedures to replace that member are found in Section 6.03(I) of the Property Tax Code. We have enclosed a copy of that section for your review.

The code basically requires that if a vacancy occurs on the board of directors each taxing unit that is entitled to vote may nominate by resolution, adopted by its governing body, a candidate to fill the vacancy. The unit shall submit the name of its nominee to the chief appraiser within 10 days after notification from the board of directors of the existence of the vacancy. The chief appraiser shall prepare and deliver to the board of directors within the next 5 days a list of the nominees. The board of directors shall elect by majority vote of its members one of the nominees to fill the vacancy.

We know that this is not a lot of notice but this is the procedure required in the law.

Since the selection is left up to us, it would be very helpful if you included a resume with your nomination.

If you have any questions please feel free to contact our chief appraiser, Bill Carroll.

Sincerely

Robert W. Tagge  
Acting Chairman  
Board of Directors  
Williamson County Appraisal District
