Dear Judge Doerfler:

I am enclosing the signed Mutual Aid contract between Williamson County and Bartlett Fire Department for budget year 2002. Our department is proud to serve the citizens of Williamson County to the best of their ability.

All funds received from Williamson County from the 2001 budget year were used for the payment of our 1996 Smeal Freightliner Fire Engine. We have an annual payment of \$22,000.00 due each year for this truck. This year's monies will be applied in the same manner. Without the money we receive from Williamson County, our department would not be able to make this payment. I can assure you that we appreciate this money.

Also, I was advised at the Williamson County Fire Chief meeting, that your office needs our mailing address. It is as follows:

We the owners of the Glenn Drive give Chris Doti permission to have Williamson County improve the driving condition for Korean church members accessing this road daily.

I (Chris Doti) have been instructed to acquire permissions for "one time blading" of Glenn Drive from the property owners before proceeding.
