Re: Professional Services Agreement for Cobb Fendley & Associates, Inc.

Dear Judge Doerfler:

In response to the "Guidelines for Reimbursable Expenses Allowed for Williamson County Road Bond Projects" received on March 19, 2002, Cobb, Fendley & Associates, Inc. respectfully requests an amendment to our contract. The amendment would include changing the mileage rate from \$0.345 per mile to the "IRS Approved" rate. This amendment will not change the total approved contract amount.

Thank you for considering this request.

Sincerely,

Allen Watson  
Vice President

**AGENDA ITEM 50****Comments from commissioners.**

**Commissioner Hays** discussed the meeting with the City of Georgetown on the stairwell variance requested for the jail. He said that the City proposed removing the stairwell and building metal doors between the pods in the jail to move prisoners between pods and to the remaining stairwells, which would satisfy the fire code restrictions and might result in a decrease in cost. He stated that it would have to be determined if this scenario would meet the jail standards requirements.

**County Attorney Gene Taylor** commended Commissioner Hays and Ed Lee for their work with the City of Georgetown this morning.
