

AGENDA ITEM 50

Comments from commissioners.

Commissioner Hays discussed the meeting with the City of Georgetown on the stairwell variance requested for the jail. He said that the City proposed removing the stairwell and building metal doors between the pods in the jail to move prisoners between pods and to the remaining stairwells, which would satisfy the fire code restrictions and might result in a decrease in cost. He stated that it would have to be determined if this scenario would meet the jail standards requirements.

County Attorney Gene Taylor commended Commissioner Hays and Ed Lee for their work with the City of Georgetown this morning.
