CANVASS OF ELECTION RETURNS

Whereas on the 17th day of September, 2002, in that part of Williamson County, Texas, described in the attachment herewith, there was submitted to the qualified voters the question of whether that territory should be formed into an emergency services district under state law; and

Whereas, at the election, 60 votes were cast in favor of formation of the district and 30 votes were cast against formation; and

Whereas, the formation of the emergency services district received the affirmative vote of the majority of the votes cast at the election as provided by law;

Now, therefore, the Commissioners Court of Williamson County, Texas, finds and orders that the tract described in the order has been duly and legally formed into an emergency services district under the name of Emergency Services District No. 5-, under Article III, Section 48-e, of the Texas Constitution, as proposed by SJR No. 27, Acts of the 70th Legislature, Regular Session, 1987, and adopted by the voters at an election held November 3, 1987, and has the powers vested by law in the district.
