To: Judge Henderson  
Judge Brooks  
Judge Higginbotham

This is a written request for your authorization to write-off the balances of cases which show balances under \$100. There were never any warrants issued on these and frankly the balance does not justify the cost to collect them. These fifteen cases only amount to \$858.57 between all of the courts. Please sign below if you agree that the process can proceed to allow these balances to be written off.
