Re: Contract
Date: 09-26-02

Dear Sir,

I think we are of like mind in our ideas on providing good quality medical care to the prisoners of Williamson County Jail. And at the same time we can keep down cost and damages from law suits.

1. I will provide medical coverage by physically being at the infirmary seeing patients no less than 8 hours per week. (Two four hour periods). I will do this 48 weeks per year. I will see all patients requiring out-patient medical attention. I will follow-up on all lab test, radiographs, and all patients who have had medical attention outside the jail infirmary.
2. I will provide consultation to the Lead Paramedic of the infirmary (currently Annette Hawkins or her designee) on all questions of out patient medical care.
3. I will be "on-call" Monday through Friday for phone consultation to the Medical Officers of the infirmary unless I otherwise arrange to be absent for special occasions. When out of town, I will notify the infirmary in writing.
4. I will expect help in seeing the patients from both the Lead Paramedic and medical officer personnel. A "can-do" attitude will be needed by all of us to get the job done correctly.
5. I will expect medical malpractice coverage to be provided by the county.
6. I request a salary of \$52,000 per year. I expect to work as an independent contractor although this point is negotiable. I request the salary to be split into monthly increments.

7. I will specifically not provide any inpatient or hospitalization care.
8. I will request that patients can see specialists if I deem necessary. Especially orthopedics and MHMR.
9. I request that my supervisors are known to me before I begin work. (I.e. who am I responsible too? The Assistant Chief Deputy, the county supervisor, the judges?).
10. That this contract runs from October 1, 2002 to September 30, 2003. And that if both the county and I am pleased, that this contract can be renewable in future years.

Assistant Chief Hall, I want to again thank you for your time. I hope to continue to make a difference in the jail this following year.

Respectfully

Carlo Klott MD
Medical Director

Moved: **Commissioner Boatright**
