Dear County Commissioner:

Enclosed is a copy of your 2002 continuing education transcript and your Curriculum 2000 transcript. If you completed the 16-hour annual continuing education requirement as codified in Section 81.0025, Local Government Code, you will also find enclosed a Certificate confirming that you have completed this requirement in 2002. This certificate is prepared from attendance records provided by the sponsors of approved continuing education programs.

Many of you are also progressing toward completion of the Curriculum 2000 Program, a 64-hour course of advanced training in county government. We expect to award several of these certificates in October, 2003, at our annual conference in Corpus Christi, Texas.

If you have any questions about our continuing education program, please call Jim Allison's office. Thank you for your participation in our state association and congratulations on your achievement.
