Dear Congressman Carter,

The Williamson County Commissioners Court passed the enclosed resolution at their meeting of Tuesday, February 18, 2003. The court requests that you attempt to seek any federal discretionary funds that are for the construction of the proposed US Highway 183A in Williamson County, one of the fastest growing counties in the United States.

As you are aware, this proposed highway is greatly needed in the western portion of the county where we are experiencing an explosion in suburban growth. Highway 183A, a regional and state sponsored project would benefit many cities in the region, including Cedar Park, Leander, and Liberty Hill.

Any help you could give us would be greatly appreciated.

Sincerely,

*John C. Doerfler
County Judge*
