NATIONAL AGRICULTURE WEEK IN TEXAS – MARCH 16 TO 22, 2003

Use this as the framework to recognize National Ag Week in your area; you can customize it to fit your format and add additional statistics and information as needed.

WHEREAS, the week of March 16 to 22, 2003, is NATIONAL AGRICULTURE WEEK IN TEXAS, as proclaimed by Texas Agriculture Commissioner Susan Combs, and

WHEREAS, agriculture starts with the growing and harvesting of food and fiber and ends with almost everything we eat, wear and use, and

WHEREAS, we all must appreciate the role agriculture plays in maintaining a strong economy and in providing a safe, abundant and affordable food and fiber supply now and for years to come, and

WHEREAS, increased knowledge of agriculture helps us to understand the vital impact that our state's second largest industry has on our daily lives, especially as we make informed personal choices about diet and health, and

WHEREAS, it is important that everyone is aware of their reliance upon farmers and ranchers whose stewardship ensures a substantial resource base for future generations, and

WHEREAS, agriculture plays a key role in the lives of everyone in this county. Now, therefore

BE IT RESOLVED, that the Commissioners' Court of (insert county name here) declares this National Agriculture Week in (county name), and

BE IT FURTHER RESOLVED, that the commissioners' court urges everyone in our area to learn more about the role of agriculture here, share that knowledge with the young people in our area, and recognize the farmers, ranchers and their families who contribute so much to this county, this state, this nation and the world.

THEREFORE, IN OFFICIAL RECOGNITION WHEREOF, we, the undersigned do hereby affix our signatures this 4 day of March 2003.

Note:

Instead of a commissioners' court action, the County Judge individually can authorize this resolution. Substitute County Judge in place of the commissioners' court references. You also may want to include a section that specifically recognizes agriculture producers, agribusinesses or agriculture organizations in your area. If you would like an electronic version of this, contact Jo Moss at (512) 475-1658 or by e-mail at Jo.Moss@agr.state.tx.us.

With the help of the Texas Department of Agriculture, we have developed a resolution that recognizes the week of March 16 to 22, 2003 as National Agriculture Week in Texas. This resolution is designed to be used by local governments to recognize the contributions of agriculture to their communities and to the state of Texas.

The Texas Department of Agriculture is proud to support this effort and to provide the resources needed to make this a successful year for agriculture in Texas.
