DATE: November 7, 2003

SUBJECT: Additional Cash Drawer

On the morning of November 7, 2003 both clerks who work the front counters and possess keys to each of the cash drawers were unavailable. Upon recommendation of Susan Weaver with the Auditors Office, I am requesting a 3rd cash drawer in the amount of \$200.00 for emergency situations as experienced this morning.

Melissa Goins, Chief Clerk, will be the only person with a key; therefore, she will be responsible for the cash when not being used. When an emergency situation arises Melissa will designate a clerk to work the front counter and have clerk accountable for cash drawer on that day.

Please do not hesitate to contact me for any further information.
