~~Proposed~~ No Parking, Stopping, or Standing Zone
on Creek Run from Claudia Drive to Block House
Creek Elementary Driveway (approximately 200
feet west)

Attached is a copy of a letter from Curtis Locklear who is the principal of Block House Elementary School. As stated in his letter, cars are stopping in the bike lane and blocking the bike lane that his students use. With the cars blocking the bike lane the students are faced with the option of either riding their bikes on the sidewalk or in the main lane of Creek Run. The first option creates a safety concern for the pedestrians while the second option creates a safety concern for the bicyclist.

In view of the request of the principal and based upon my traffic engineering study conducted in the field, it is my professional opinion that public safety would be enhanced if a no parking, stopping, or standing zone would be adopted for Creek Run from Claudia Drive to Block House Creek Elementary Driveway (approximately 200 feet west) from the hours of 7:20-8:00 A.M. and 2:40-3:20 P.M. school days only.

Dear Commissioner Boatright,

On behalf of Block House Creek Elementary and the Block House Creek subdivision, I would like to request the designation of an official bike lane, complete with necessary signage, along Creek Run Drive leading to the school. As it is, many cars park in the existing "courtesy" bike lane forcing bikers to ride around and into the face of oncoming traffic. This is a very important safety issue.

I would like to ask for consideration of placement of a stoplight at the intersection of New Hope Road and Block House Creek Drive. Since I became principal at Block House Creek Elementary eight years ago, I have seen that intersection grow into a huge traffic dilemma. It is a major accident waiting to happen. As it stands now, people on their way to work in the mornings back up all the way from the intersection to the stop sign at our school.

Please consider this as a most urgent safety situation. Thank you for all you do for our county.

Sincerely,

A handwritten signature in black ink, appearing to read 'Curtis Locklear', written over a horizontal line.
