PROFESSIONAL SERVICES AGREEMENT

STATE OF TEXAS §
 §
 COUNTY OF WILLIAMSON §

This Agreement is made and entered into this day by and between Williamson County, Texas, a political subdivision of the State of Texas, (*the "County"*) and Coalter & Associates (*the "Surveyor"*).

WHEREAS, *County* proposes to construct a County Road FM 1431 Extension;

WHEREAS, *County* desires to obtain professional services for Professional Land Surveying (*the "Project"*);

WHEREAS, Surveyor has the professional ability and expertise to fulfill the requirements of the *Project*, and to counsel *County*.

NOW, THEREFORE, *County* and *Surveyor* agree to the performance of the professional services by *Surveyor* and the payment for these services by *County* as set forth herein.

Section I Employment of the Surveyor

County agrees to employ *Surveyor* and *Surveyor* agrees to perform professional land surveying services for the *Project* as stated in the Sections to follow. As a condition to employment, it is specifically agreed that any disputes arising hereunder shall be submitted to the County Judge or his designee and/or agent as designated in the Scope of Services in Appendix A, or as otherwise designated (*individually or collectively the "County Judge"*). The *County Judge* shall have complete authority for the purpose of resolving technical matters. In all other cases, the decision of the Williamson County Commissioners' Court shall be final and binding, subject to any civil remedies otherwise deemed appropriate by the parties hereto.

Section II Basic Services of the Surveyor

- A. In consideration of the compensation herein provided, *Surveyor* shall perform professional land surveying services for the *Project*, which are acceptable to the *County Judge*, based on standard surveying practices and the scope of work described on the Exhibits attached to this Agreement. *Surveyor* shall also serve as *County's* professional surveyor in those phases of the *Project* to which this Agreement applies and will consult with and give advice to *County* during the performance of *Surveyor's* services.
- B. *Surveyor* shall not commence work until *Surveyor* has been thoroughly briefed on the scope of the *Project* and has been notified in writing by the *County Judge* to proceed, as evidenced by a Work Authorization substantially in the form of Attachment A to Exhibit I.

- C. *County* shall provide *Surveyor* with all existing plans, maps, studies, reports, field notes, statistics, computations, and other data in its possession relative to existing facilities and to this particular *Project* at no cost to *Surveyor*, however, any and all such information shall remain the property of *County* and shall be returned, if the *County Judge* so instructs *Surveyor*.
- D. *Surveyor* shall perform the following Basic Scope of Services:
1. The basic Scope of Services shall generally consist of all elements of work, materials and equipment required for the development of the *Project*, including any Public Hearings, satisfactory to the *County Judge* and the County's Commissioners Court, in accordance with the requirements, policies, and general practices of Williamson County.
 2. The following documents shall be used in the development of the *Project*:
 - a. TxDOT 1980 Texas Manual of Uniform Traffic Control Devices for Streets and Highways, Revision 5, including:

 - j. National Electrical Code (most current version)
 - k. Williamson County Bond Program Standard Procedures Manual
 - l. TxDOT Bridge Division Foundation Manual
 3. As part of the Scope of Services, *Surveyor* shall submit its work products to *County* for review at regular intervals.

Section III Fee schedule

- A. For and in consideration of the performance by *Surveyor* of the work described in the Scope of Services, *County* shall pay and *Surveyor* shall receive the fee set forth in Exhibit I. The fee is based upon the hourly rates set forth in Exhibit II. Exhibits I and II are attached hereto and made a part hereof. Invoices shall be submitted by *Surveyor* on a monthly basis and are due upon presentation of all items required hereunder, and shall be considered past due if not paid within thirty (30) calendar days of the due date.
- B. For the performance of services not specifically described in the Scope of Services *Surveyor* shall receive the additional services compensation described in Exhibit III, which is attached hereto and made a part hereof. In the event of any dispute over the classification of *Surveyor's* services as basic or additional services under this agreement, the decision of the *County Judge* shall be final and binding on *Surveyor*.

Section IV Period of Service

- A. *Surveyor* shall perform the professional services described in Appendix A, the Scope of Services, in accordance with the Production Schedule attached hereto as Exhibit IV and made a part hereof.
- B. This Agreement shall become effective upon the date approved by *County* and will remain in full force and effect for the period required for the design, construction contract award and construction of the *Project*, including warranty periods and any extensions of time, unless terminated earlier as provided for herein. *Surveyor* shall complete all land survey work as described in the Scope of Services within 365 calendar days from receipt by *Surveyor* of *County's* written Work Authorization and in accordance with the production timeline included in the Scope of Services.
- C. Neither *Surveyor* nor *County* shall be responsible for delays caused by "Acts of God", non-county governmental processes, national emergency, or any other causes beyond *Surveyor's* or *County's* reasonable control. Upon the discovery of such an event, *Surveyor* shall notify *County*, and attend a special meeting with the *County Judge* to propose a program for a solution to the problem, and, if necessary, to establish an estimated period of time of suspension or extension of the work. A written request for an extension of time, when properly documented and justified by the circumstances, will be granted by the *County Judge*.
- D. *County* may suspend the work at any time for any reason without terminating this Agreement by giving written Notice of Suspension and the work may be reinstated and this Agreement resumed in full force and effect within sixty (60) days of receipt by *Surveyor* of written Notice of Reinstatement from *County*. *Surveyor*, upon receipt of a Notice of Suspension

shall follow the procedures described in the attached Exhibit V, which is attached hereto and made a part hereof. In the event such suspension of the *Project* or the *Surveyor's* services hereunder extends for a period of ninety (90) days or more, consecutive or in the aggregate, *Surveyor* may terminate this Agreement in writing and such termination shall be treated as a Notice of Termination as provided herein.

- E. Either party may terminate this Agreement for the substantial failure of the other party to perform in accordance with the terms of this Agreement (the substantiality of such failure to be based on standard Surveying practices and the scope of work described on the Exhibits attached to this Agreement), through no material fault of the terminating party, and *County* may terminate this Agreement for reasons other than substantial failure by *Surveyor* to perform by delivering a written Notice of Termination which shall take effect on the tenth day following receipt. If mutually agreed upon, the obligation to provide services under this Agreement may be terminated without cause upon thirty (30) days written notice. *Surveyor* shall follow the procedures specified in Exhibit V upon issuance or receipt of such notice. In the event of termination of this Agreement because of the substantial failure of *Surveyor* to perform, *County* may prosecute the work to completion by contract or otherwise and, in such a case, *Surveyor* shall be liable for any additional costs incurred by *County*.
- F. *Surveyor* specifically acknowledges that *County* will sustain damages for each day beyond the required dates of completion as defined in the Scope of Services that the work has not been accepted and approved. Because of the impracticality and extreme difficulty of fixing and ascertaining *County's* actual damages, *Surveyor* agrees that One hundred and No/100 Dollars (\$ 100.00) per day shall be retained by *County* from any amounts due *Surveyor* for every day that *Surveyor* does not meet the production requirements set forth in Exhibit IV.
- G. Periods of time (i) during which a Notice of Suspension is in effect, or (ii) during which a submitted and complete Surveying work product is in technical review, as described in Section VI, or (iii) during which a delay directly related to matters described in section IV(C) above, shall not be taken into account in computing the amount of liquidated damages. In the event that a Survey work product received by *County* is found to be incomplete, as defined in Section VI, Paragraph B, the period of time from the original submittal of the Surveying work product to the receipt of subsequent submittal necessary to produce a completed submittal will be taken into account in computing the number of days and the amount of liquidated damages.
- H. All references to time in this Agreement shall be measured in calendar days unless otherwise specified.

Section V
Coordination with the County

- A. The *County Judge* will act on behalf of *County* with respect to the work to be performed under this Agreement. The *County Judge* shall have complete authority to interpret and define *County's* policies and decisions with respect to *Surveyor's* services. The *County Judge* may designate representatives to transmit instructions and receive information.
- B. *Surveyor* shall not commence work on any phase of the *Project* until a thorough briefing on the scope of the *Project* is received and a written Work Authorization is issued by the *County Judge* in substantially the form of Attachment A to Exhibit I.
- C. *Surveyor* shall furnish all available data and reasonable assistance necessary for the development of applications or supporting documentation for any permits, grants, or planning advances as applicable to the professional services to be rendered pursuant to this Agreement, provided that *Surveyor* shall not be obligated to develop additional data, appear at hearings, or prepare extensive reports, unless compensated for such work under other provisions of this Agreement.
- D. *Surveyor* shall have the responsibility at all times under the terms of this Agreement to advise *County* whether in *Surveyor's* judgment it is feasible to proceed with the recommendations given any constraints affecting the *Project*.
- E. *Surveyor* shall cooperate and coordinate with *County's* staff, and other engineers, surveyors, and contractors as reasonable and necessary and as required by the *County Judge*.

Section VI
Review of Work Product

- A. *Surveyor's* Surveying work product will be reviewed by *County* under its applicable technical requirements and procedures.
- B. Reports, plans, specifications, and supporting documents, (the "Surveying work products"), shall be submitted by *Surveyor* on or before the dates specified in the Production Schedule set forth in Exhibit IV. Upon receipt of the Surveying work products, the submission shall be checked for completion. "Completion" shall be defined as: all of the required items (as defined by the scope of services described herein) have been included in the Surveying work products in compliance with the requirements of this Agreement. The completeness of any Surveying work product submitted to *County* shall be determined by *County* within thirty (30) days of such submittal and *County* shall notify *Surveyor* in writing within such 30-day period if such work product has been found to be incomplete.
- C. If the submission is complete, *County* shall notify *Surveyor* and *County's* technical review process will begin.

Contract No. _____

6 of 29 Pages

- D. If the submission is incomplete, *County* shall notify *Surveyor*, who shall perform such professional services as are required to complete the work and resubmit it to *County*. This process shall be repeated until a submission is complete.
- E. *County* shall review the completed work for compliance with the scope of work. If necessary, the completed work shall be returned to *Surveyor*, who shall perform any required work and resubmit it to *County*. This process shall be repeated until the work is accepted. "Acceptance" shall mean that in the *County Judge's* opinion substantial compliance with the requirements of this Agreement has been achieved.
- F. After acceptance, *Surveyor* shall perform any required modifications, changes, alterations, corrections, and additional work necessary to receive final approval by the *County Judge*. "Approval" in this sense shall mean formal recognition that the work has been fully carried out.
- G. After approval of final Surveying work products, *Surveyor* shall without additional compensation perform any work required as a result of *Surveyor's* development of the products which is found to be in error or omission due to *Surveyor's* negligence. However, any work required or occasioned for the convenience of *County* after approval of a final product shall be paid for as Additional Services.
- H. In the event of any dispute over the classification of *Surveyor's* work products as complete, accepted, or approved under this Agreement, the decision of the *County Judge* shall be final and binding on *Surveyor*, subject to any civil remedy or determination otherwise available to the parties and deemed appropriate by the parties.

Section VII Revision to Work Product

Surveyor shall make without expense to *County* such revisions to the work product as may be required to correct negligent errors or omissions so the work product meets the needs of *County*, but after the approval of the work product any revisions, additions, or other modifications made at *County's* request which involve extra services and expenses to *Surveyor* shall entitle *Surveyor* to additional compensation for such extra services and expenses, provided however, that *Surveyor* agrees to perform any necessary corrections to the work products, which are found to be in negligent error or omission as a result of the *Surveyor's* development of the work product, at any time, without additional compensation. If it is necessary due to such error or omission by *Surveyor* to revise the plans in order to make the *Project* constructable, *Surveyor* shall do so without additional compensation. In the event of any dispute over the classification of *Surveyor's* services as Basic or Additional Services under this Agreement, the decision of the *County Judge* shall be final and binding on *Surveyor*, subject to any civil remedy or determination otherwise available to the parties and deemed appropriate by the parties.

- Surveyor* shall be responsible for conformance with applicable federal and state laws, county permitting requirements, and city ordinances currently in effect, except as otherwise directed by the *County Judge* regarding county permitting or similar requirements properly waivable by the *County Judge*.
- C. Acceptance and approval of the final plans by *County* shall not release *Surveyor* of any responsibility or liability for the accuracy and competency of his field notes, working drawings, or other documents or work performed under this Agreement. Neither acceptance nor approval by *County* shall be an assumption of responsibility or liability by *County* for any defect, error, or omission in the field notes, working drawings, or other documents prepared by *Surveyor*.
- D. *Surveyor* shall indemnify, protect, and save harmless *County*, its officials and employees and its agents and agents' employees from and against all claims, suits, actions, liability, loss, damage, reasonable attorney's fees, costs, and expenses (including, but not limited to expenses related to expert witnesses) of any kind whatsoever, to the extent arising from any negligent act, error or omission of *Surveyor* or any of its subcontractors in connection with the performance of services under this Agreement; provided, however, *Surveyor* shall not be responsible for the negligence of any other party, other than its subcontractors.
- E. *Surveyor* shall perform all services and responsibilities required of *Surveyor* under this Agreement using at least that standard of care which a reasonably prudent surveyor in Texas, who is registered by the Texas Board of Professional Land Surveying, would use in similar circumstances.
- F. *Surveyor* represents that it presently has, or is able to obtain, adequate qualified personnel in its employment for performance of the services required under this Agreement and that *Surveyor* shall furnish and maintain, at its own expense, adequate and sufficient personnel and equipment, in the reasonable opinion of *County*, to perform the services when and as required and without delays. It is understood that *County* will approve assignment and release of all key *Surveyor* and professional personnel.
- G. All employees of *Surveyor* shall have such knowledge and experience as will enable them to perform the duties assigned to them. Any and all documents, including the original drawings, estimates, computer tapes, graphic files, tracings, calculations, analyses, reports, field notes, and data prepared by *Surveyor* are the property of *County* and upon completion of the work or termination of this Agreement or as otherwise instructed by *County* and/or *County Judge*, shall be delivered to *County* in an organized fashion with *Surveyor* retaining a copy.
- B. Any reuse by *Surveyor* of any such documents described in subsection A above, without the specific written consent of *County* shall be at *Surveyor's* sole risk and without liability or legal exposure to *County*. EXHIBIT I**COMPENSATION FOR PROFESSIONAL SERVICES****ACTUAL COST OF SERVICES METHOD**

[Note: A separate Compensation Agreement will be attached for Compensation on a Work-Order Basis]

SECTION 1 - BASIS FOR COMPENSATION

- 1.1 The not-to-be-exceeded fee for the performance of the Scope of Services described in the Agreement shall be the sum of \$ 200,000.00.
- 1.2 The basis of compensation for the services of principals and employees engaged in the performance of the work shall be the hourly rates set forth in attached Exhibit II.
- 1.3 *Surveyor* shall be reimbursed for non-labor and subcontract expense incurred in the performance of the services under this Agreement at invoice cost.

SECTION 2 - NOT-TO-BE-EXCEEDED FEE

- 2.1 *Surveyor* and *County* acknowledge the fact that the not-to-be-exceeded fee is the total estimated costs of services to be rendered under this Agreement. This not-to-be-exceeded fee is based upon the labor and non-labor costs set forth in Exhibit II to this Agreement and described above, estimated to be required in the performance of the various phases of work provided for under this Agreement. Should the actual costs of the services rendered under this Agreement be less than such estimated cost, then *Surveyor* shall receive compensation for only those services actually rendered.

SECTION 3 - WORK AUTHORIZATIONS

- 3.1 *County* will prepare and issue Work Authorizations, in the form identified and attached hereto as Attachment A to authorize the *Surveyor* to perform one or more tasks. Each Work Authorization will include a description of the work to be performed, a description of the tasks and milestones, a work schedule for the tasks, and a fee amount agreed upon by the *County* and *Surveyor*. The amount payable for a Work Authorization shall be supported by the estimated cost of each work task as described in the Work Authorization. The Work Authorization will not waive the *Surveyor's* responsibilities and obligations established in this Agreement. The executed Work Authorizations shall become part of this Agreement.

Contract No. _____

15 of 29 Pages

- 3.2 Work included in a Work Authorization shall not begin until *County* and *Surveyor* have signed the Work Authorization. All work must be completed on or before the completion date specified in the Work Authorization. The *Surveyor* shall promptly notify the *County* of any event which will affect completion of the Work Authorization, although such notification shall not relieve the *Surveyor* from costs or liabilities resulting from delays in completion of the Work Authorization. Any changes in the Work Authorization shall be enacted by a written Supplemental Work Authorization before additional work may be performed or additional costs incurred. Any Supplemental Work Authorization must be executed by both parties within the period specified in the Work Authorization. The *Surveyor* shall not perform any proposed work or incur any additional costs prior to the execution, by both parties, of a Supplemental Work Authorization.

SECTION 4 - ADDITIONAL SERVICES

- 4.1 For additional services, compensation shall be negotiated in accordance with Exhibit III.
- 4.2 *Surveyor* shall be compensated for extra services not included in the Scope of Services described in the Agreement on the basis specified in Exhibit III; however, *Surveyor* shall not be compensated for work made necessary by *Surveyor's* negligent errors or omissions.
- 4.3 The maximum amount payable under this Agreement without modification (the "*Compensation Cap*") is \$ 250,000.00, provided that any amounts paid or payable shall be solely pursuant to a validly issued Work Authorization or any Supplemental Work Authorization related thereto. In no event may the aggregate amount of compensation authorized under Work Authorizations and Supplemental Work Authorizations exceed the *Compensation Cap*.

SECTION 5 - REQUIRED SUPPORTING DOCUMENTATION

- 5.1 Upon submittal of the initial invoice for service, *Surveyor* shall provide *County Judge* with an Internal Revenue Service Form W-9, Request for Taxpayer Identification Number and Certification that is complete in compliance with the Internal Revenue Code, its rules and regulations.
- 5.2 All invoices submitted to *County Judge* will be accompanied by an original, complete packet of supporting documentation. Invoices should detail hours worked by staff person, with a description of the work performed by individuals. Invoices should also contain a representation of the percentage of completion relative to that segment of the *Project*.
- 5.3 For additional services performed pursuant to Section III B of this Agreement, a separate invoice or itemization of this work will be presented with the same requirements for supporting documentation as in Section 5.2 of this Exhibit.

Purpose of Form

A person who is required to file an information return with the IRS, must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

U.S. person. Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

- Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
- Certify that you are not subject to backup withholding, or
- Claim exemption from backup withholding if you are a U.S. exempt payee.

Note: If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Foreign person. If you are a foreign person, use the appropriate Form W-8 (see Pub. 515, Withholding of Tax on Nonresident Aliens and Foreign Entities).

Nonresident alien who becomes a resident alien.

Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the recipient has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement that specifies the following five items:

- The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
- The treaty article addressing the income.
- The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
- The type and amount of income that qualifies for the exemption from tax.
- Sufficient facts to justify the exemption from tax under the terms of the treaty article.
