Subject: Hi Kathy & Commissioner Boatright

Dear Kathy & Commissioner Boatright:

As per my conversation with Kathy on the phone this afternoon, here is my formal request for having our street blocked off for the 4th of July.

The past two years all of our neighbors have joined together in our front yards for a celebration on the 4th. Our street is just 3 streets behind the Milburn Pool (where a huge crowd gathers for the fireworks display), and the traffic up and down our street on that night is downright scary for ourselves and our children. People use our little street as a cut-through or shortcut to avoid Sun Chase.

Our street is Eclipse Cove and we (our whole street) would love to have it blocked off at the corner of Sun Chase and Eclipse and then on down Eclipse to the Stop sign at Eclipse and Shooting Star. That way, the folks on Shooting Star and further down Eclipse Cove can get out using Autumn Fire.

We would like it blocked off from 4:00pm on July 4th until Midnight.

Thank you so much for all of your help to make this 4th of July the safest ever.

Sincerely,

David Johnson
1804 Eclipse Cove
Cedar Park 78613
(h) 401-0826

approved 6-8-04
John C. Daifler

AGENDA ITEM 14

Consider approving creation of 23 additional cash drawers for Tax Office on recommendation of Auditor's office. (One for each clerk)
