**RE:** Donation For Tree Planting

I am in receipt of \$400.00 for four trees to be planted in the regional park on CR 175.  
The donations for trees are in the names of the following:

Danny Whitworth  
Joe Osborne  
Elroy Kinn  
Camryn Findeisen

These trees will be planted in the median at the park and are to replace trees that have died since construction. These particular areas have irrigation and will require only planting and staking.

With the court's approval, in the near future the Parks and Recreation Department will publish an informational pamphlet indicating memorial opportunities for tree planting, and bench donations in parks. This is a common practice in Parks Departments and the cost of the memorial is intended to cover the cost associated with the tree or bench.
