Memorandum of Understanding

The CLEAN AIR Force 2004 Electric Lawnmower Discount Program for Georgetown, TX

Timeline:

May 1-31, 2004

Participating Retailer:

P&K True Value Hardware – Ken Olson
704 Austin Ave.
Georgetown, TX 78626

Discount Agreed Upon:

Williamson County will provide a 10% discount, up to \$3,000 (this would cover discounts on approximately 70 mowers), with the retailer providing a 10% match, totaling a 20% discount for the consumer on Black & Decker electric lawnmowers models MM575 (corded) and CMM1000 (cordless). The buyer would obtain a coupon from the CLEAN AIR Force or P&K True Value and present it at the time of purchase.

Reimbursement to P&K:

P&K True Value will collect the receipts and coupons for each electric lawnmower sold during the month of May, and based on the number sold, would invoice Williamson County for their 10% contribution, up to \$3,000 (or approximately 70 mowers). Williamson County would then send a reimbursement check directly to P&K True Value based on that invoiced amount. Should P&K True Value sell more than 70 electric mowers during the month of May, Williamson County would only be responsible for an amount not to exceed \$3,000. Should P&K True Value sell less than \$3,000 in 10% discounts, Williamson County will only be responsible for the amount invoiced.

May Is Electric Lawnmower Month

Gasoline-powered lawn and garden equipment is responsible for over 5% of urban air pollution, according to the Environmental Protection Agency. During the entire month of May 2004, the CLEAN AIR Force of Central Texas, in coordination with participating retailers, will be providing a 20% discount on the purchase of a Black & Decker corded or cordless model of electric lawnmower. Participants can print out a 20% discount coupon at www.cleanairforce.org and take it to the Woodward, Arboretum, Sunset Valley, or Round Rock Home Depots, or the P&K True Value Hardware in Georgetown. Limits may apply. In addition, if you would like to properly dispose of your old gas-powered lawnmower, bring it to one of the Home Depot locations on any Saturday in May and it will be collected for recycling. For more information on the rebate program, call the CLEAN AIR Force of Central Texas at 916-6047 or send an email to info@cleanairforce.org.
