Precinct IV

- A. Central Telephone Company of Texas
 - 1. CR 119 & CR 164 – Road bore and ROW

NOTICE OF PROPOSED INSTALLATION

UTILITY LINE ON WILLIAMSON COUNTY RIGHT-OF-WAY

TO: Williamson County Unified Road System

DATE: 4-2-04

3151 S. E. Inner Loop, Suite B
Georgetown, Texas 78626Formal notice is hereby given that TIME WARNER CABLECompany proposes to place a COAX CABLELine within the right-of-way of C.R. 200

as follows: (give location, length, general design, etc.) TWC WILL PLACE A PROPOSED COAXIAL CABLE LINE, IN THE R.O.W. ON C.R. 200. THE TOTAL LENGTH OF THIS CABLE LINE WILL BE 4,712 FT. TWC WILL HAVE THE PROPER TRAFFIC CONTROL FOR THIS JOB, IF NEEDED.

The line will be constructed and maintained on the road right-of-way as directed by the Williamson County Unified Road System in accordance with governing laws.

Our firm further understands that the County considers proper traffic control measures as those complying with applicable portions of the Texas Manual of Traffic Control Devices required for adoption by the "Transportation Code" (V.C.T.A. CH.251)

The location and description of the proposed line and appurtenances is more fully shown by 3 copies of drawings attached to this notice.

Construction of this line is proposed to begin on or after the _____ day of MARCH 2004.

APPROVAL

This application is hereby approved subject to the following understandings and restrictions.

It is expressly understood that the said County Commissioners' Court does not imply hereby to grant any right, claim, title or easement in or upon this County Road; and it is further understood that in the future, should Williamson County, for any reason, need to work, improve, relocate, widen, increase, add to, decrease, or in any manner change the structure of this road or right-of-way, this line, if affected, will be moved at the direction of the Williamson County Engineer or County Commissioner. This installation work shall not damage any part of the roadway and adequate provisions shall be made to cause a minimum of inconvenience to traffic and adjacent property owners.

04/20/2004

I, TIMOTHY VALDEKRAMA, Contractor for TIME WARNER CABLE
in Williamson County, Texas do hereby agree to the following schedules and conditions for doing work within
the right-of-way of C.R. 200 which is a public roadway
maintained by Williamson County.

1. I will contact the Williamson County Unified Road System at least 48 hours prior to start of construction.
2. All work in the right-of-way will be done between the hours of 8:30 a.m. and 4:30 p.m. on Monday through Friday only.
3. Cuts will be opened for one-half the roadway only, with flagmen on both sides of the work area, allowing one-way traffic through. This type of operation will be held to a minimum and all advance warning signs and barricades shall be as specified in the Texas Manual on Uniform Traffic Control Devices. These cuts will also be filled and entire roadway opened at night and on weekends.
4. Roadside work in ditches alongside the trenched surface may be left opened at night, only if they can be barricaded solidly between open ditch and traveled roadway leaving a minimum 8' of road shoulder between the pavement edge and the barricades. The barricades must be reflective and lighted with warning lights and conform to the requirements of the T.M.U.T.C.D. for nighttime use.
5. Any construction area to be maintained from dusk to dawn shall have Type B High Intensity Steady Burn Warning Lights to delineate the traveled way through and around obstructions in a construction or maintenance area. All warning lights shall be installed to a minimum mounting height of 36" to the bottom of the lens.
6. Construction work and road repair on County right-of-way will be done to Williamson County Standards and to the approval of the Williamson County Unified Road System.
7. I will notify the Williamson County Unified Road System and obtain approval prior to any changes from this agreement if required due to soil conditions or other problems.

NOTICE OF PROPOSED INSTALLATION

UTILITY LINE ON WILLIAMSON COUNTY RIGHT-OF-WAY

TO: Williamson County Unified Road System
1900 Georgetown Inner Loop, Suite B
Georgetown, Texas 78626

DATE: 4/13/04

Formal notice is hereby given that Central Telephone Company of Texas (Sprint)

Company proposes to place a fiber optic cable

line within the right-of-way of CR 119, CR 164
as follows: (give location, length, general design, etc.)

Starting at the Oncor substation on CR 119 in the west R.O.W., a buried fiber communication line continuing north to CR 164, crossing the road to the north R.O.W. of CR 164. Continue west to the intersection of CR 108. Then continuing aerial on existing power poles to 284' south of Rain Creek Dr., then continuing buried to CR 118. At CR 118 continuing in the south R.O.W. to an existing Telco electronic box. Then continuing west in the north R.O.W. of CR 118 to PR 900, boring PR 900 and ending at Telco Ped CR118-7.

The line will be constructed and maintained on the road right-of-way as directed by the Williamson County Unified Road System in accordance with governing laws.

Our firm further understands that the County considers proper traffic control measures as those complying with applicable portions of the Texas Manual of Traffic Control Devices required for adoption by the "Transportation Code" (V.C.T.A. CH.251)

The location and description of the proposed line and appurtenances is more fully shown by 2 copies of drawings attached to this notice.

Construction of this line is proposed to begin on or after the 30th day of April 20 04

APPROVAL

This application is hereby approved subject to the following understandings and restrictions.
It is expressly understood that the said County Commissioners' Court does not imply hereby to grant any right, claim, title or easement in or upon this County Road; and it is further understood that in the future, should Williamson County, for any reason, need to work, improve, relocate, widen, increase, add to, decrease, or in any manner change the structure of this road or right-of-way, this line, if affected, will be moved at the direction of the Williamson County Engineer or County Commissioner. This installation work shall not damage any part of the roadway and adequate provisions shall be made to cause a minimum of inconvenience to traffic and adjacent property owners.

CONTRACTOR'S LIABILITY AGREEMENT

I, Larry Parker, Contractor for Central Telephone Co. of Texas in Williamson County, Texas do hereby agree to the following schedules and conditions for doing work within the right-of-way of CR 119, CR 164 which is a public roadway maintained by Williamson County.

1. I will contact the Williamson County Unified Road System at least 48 hours prior to start of construction.
2. All work in the right-of-way will be done between the hours of 8:30 a.m. and 4:30 p.m. on Monday through Friday only.
3. Cuts will be opened for one-half the roadway only, with flagmen on both sides of the work area, allowing one-way traffic through. This type of operation will be held to a minimum and all advance warning signs and barricades shall be as specified in the Texas Manual on Uniform Traffic Control Devices. These cuts will also be filled and entire roadway opened at night and on weekends.
4. Roadside work in ditches alongside the trenched surface may be left opened at night, only if they can be barricaded solidly between open ditch and traveled roadway leaving a minimum 6' of road shoulder between the pavement edge and the barricades. The barricades must be reflectorized and lighted with warning lights and conform to the requirements of the T.M.U.T.C.D. for nighttime use.
5. Any construction area to be maintained from dusk to dawn shall have Type B High Intensity Steady Burn Warning Lights to delineate the traveled way through and around obstructions in a construction or maintenance area. All warning lights shall be installed to a minimum mounting height of 36" to the bottom of the lense.
6. Construction work and road repair on County right-of-way will be done to Williamson County Standards and to the approval of the Williamson County Unified Road System.
7. I will notify the Williamson County Unified Road System and obtain approval prior to any changes from this agreement if required due to soil conditions or other problems.

Consent Agenda

The Consent Agenda includes non-controversial and routine items that the Court may act on with one single vote. The Judge or a Commissioner may pull any item from the Consent Agenda in order that the court discuss and act upon it individually as part of the Regular Agenda.
(Items 5- 18)

AGENDA ITEM 5**Consider approving a line item transfer for District Clerk:**

From:	0100-0409-004998	Contingencies	34,339.00
To:	0100-0450-001100	Salaries	25,084.00
	0100-0450-002010	FICA	1,415.00
	0100-0450-002020	Retirement	2,440.00
	0100-0450-002030	Insurance	5,400.00

Moved: **Commissioner Hays**

Seconded: **Commissioner Curlee**

Motion: To approve a line item transfer for District Clerk:

From:	0100-0409-004998	Contingencies	34,339.00
To:	0100-0450-001100	Salaries	25,084.00
	0100-0450-002010	FICA	1,415.00
	0100-0450-002020	Retirement	2,440.00
	0100-0450-002030	Insurance	5,400.00

Vote: **3 – 0**
