To Whom It May Concern:

Please consider approving nineteen (19) Sheriff's Office Emergency light bars to be donated to the Hutto VFD. The light bars have been removed from emergency vehicles as a result of selling the vehicle or becoming non repairable due to the price or availability of parts needed to repair them.

When trying to assess a value, I feel there is no value to the lights bars as we normally destroy them. The lights bars contain red and blue lights that can not legally be installed on civilians' vehicles therefore can not be sold at public auction.

Attached you will find a copy of the letter from Hutto VFD.

Respectfully,
